

Dear Families,

It's been another fun-filled week at school! Our Year 6 pupils had a fantastic time on their PGL adventure, taking part in so many exciting activities. Those who remained in school did themselves proud with the organisation and running of their Positive Coffee Shop, their hospitality was wonderful, and the refreshments were delicious!

We were also delighted to welcome the Headteacher and Deputy Headteacher from Christ Church to our school this week. They came to learn more about our superb work around Tracy and were of course hugely impressed by our wonderful children.

Thank you to everyone who attended our parent consultation evenings; it was great to see so many of you. If you were unable to attend, please do contact your child's class teacher to arrange a phone call. Next week, it will be the turn of Cypress and Eucalyptus classes for their meetings.

Today, we celebrated World Mental Health Day, thank you for your kind donations. These will go towards further resources to support good mental health for all our children.

Next week is shaping up to be another exciting one! On Monday, we are proud to be hosting visitors from the Department for Education and Apple, who will be learning about how we use technology to enhance teaching and learning, another recognition of the excellent work of our children and staff. The school photographer will also be in, so please ensure your child comes to school in full uniform.

It's also Pride Time! We hope you can join us to celebrate and share in the wonderful learning our children have achieved.

Finally, on Wednesday 16th October, our House Champions will be judging the much-anticipated Pumpkin Competition. Pupils who wish to take part should bring in their decorated pumpkins that morning.

Yours sincerely,

Mrs Ferla and the PWP Team

Some editions of Andrew Cope's Spy Dogs, Spy Cats, and Spy Pups books include a website link at the back that now leads to inappropriate adult content. The domain is no longer controlled by the author or publisher.

Puffin has paused sales and is working to remove affected copies from stores, schools, and libraries.

**What you should do:**

If your child owns any of these books, check the back for website links and make sure they don't visit the site. The stories themselves are still safe to read.

Please remind your child not to visit web links in books without asking an adult first.

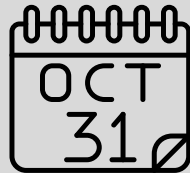

We'll share updates as they become available.

Parents please remind your children about the use of social media and online gaming platforms. There are strict restrictions on social media online games. Please make sure you are checking your children's phone regularly.

### SCHOOL VALUES

The value this term is **Pride**.

**EYFS**- Children in Nursery and Reception have started to explore forest school. We are very proud of how they all listened to their adults and worked together to complete their activities.

**KS1**- Year 1 have been writing their first extended write and have all worked very hard to make sure they are using what they know about full stops and capital letters.

**KS2**- We are very proud of all the children in Year 6. They had an amazing time at PGL and the Positivity Cafe at school was a big hit with everyone who visited.
