

Dear Families,

As we approach the weekend, I want to extend a heartfelt thank you to all of you who attended our Christmas performances. The children worked incredibly hard to put on such wonderful shows, and their performances were nothing short of magical. It was truly heartwarming to see the hall filled with such enthusiastic support from our families, creating a lovely sense of community.

This week, our Year 6 pupils were treated to a fantastic trip to the cinema, an event made possible thanks to the generous funding from Magma Maths. This outing was not only a delightful way to celebrate their hard work this term but also a chance to enjoy some fun together. The children thoroughly enjoyed themselves.

Looking ahead, next week promises to be just as exciting. We have a range of special activities planned to round off the term in style, including:

- **A visit to St. Augustine's Church:** A wonderful opportunity for the children to reflect on the meaning of Christmas and experience the beauty of the church during this special season.
- **Our Christmas dinner:** A time-honoured tradition where pupils enjoy a festive meal.
- **Christmas or own clothes day:** A chance for everyone to get into the festive spirit by wearing their favourite Christmas jumpers or own clothes.
- **A cinema afternoon:** A relaxing and enjoyable way to end the week, giving the children a chance to unwind after a busy term.

As always, none of this would be possible without your support and the dedication of our incredible staff team, who work tirelessly to make these events special for the children.

Thank you for your continued partnership in ensuring this term has been both successful and memorable for our school community.

Yours sincerely,
Mrs Ferla and the PWP Team

SCHOOL VALUES

The new focus value this term is Kindness.

The children across the school, from Nursery to Year 6, have showed so much kindness to one another this week when watching dress rehearsals of their Christmas performances and supporting one another when singing their songs. We are very proud of the amount of kindness seen around school this week!

The children in KS1 have been working on using manners this week when moving around the school - holding the door for one another, saying please and thank you, and passing on a smile to someone new. Well done!

SEND Coffee morning

Dear Parents,

We invite you to meet with our SENCO
(Special Educational Needs Coordinator)
Monday 16th at 9 AM.

This is a great opportunity to share the SEN
support across the school and the local
authority that may be available for your
child.

We look forward to seeing you there!
