SCHOOL VALUES

The new focus value this term are Kindness and Respect.

EYFS- Reception used some great collaboration this week in their PE lessons, working together as a small team to encourage each other in their throwing task.

KS1- Year 1 have used collaboration in their History lesson this week when creating their own pirate crew! They worked in groups to create a ship name and decide what role each person would play aboard the ship based on their skills.

KS2- Year 5 used collaboration during their DT lesson when researching a chef from Brazil. They researched with a partnering, discussing new facts learnt and shared their findings more widely with their peers.

Launch Day for the Euros!

It was amazing to see our whole school dressed up in colours/football kits of the teams they support!
