

Dear Families,

What an exciting week we've had at school! Our children have truly embraced their learning while celebrating Black History Month. We are proud to share that Year 2 even received a lovely tweet from Floella Benjamin, highlighting the wonderful work our children are doing.

The exceptional work produced by our children across the school has significantly enhanced our curriculum and enriched their learning experiences.

We had the pleasure of hosting Magma Maths and a film crew on Wednesday, who were thoroughly impressed with our children's engagement and behaviour while filming their promotional video. We can't wait to share the final product with you!

A reminder that next Wednesday marks the deadline for the House Champions Pumpkin Competition. Please ensure that all entries are either an actual pumpkin or a 3-D model. We are excited to see the creativity our children will showcase!

Lastly, we are delighted to welcome our community back to school for Pride Time. It will be a wonderful opportunity to come together and celebrate the achievements of our children.

Thank you for your continued support!
Mrs Ferla and PWP Team.

SCHOOL VALUES

The new focus value this term is Pride.

EYFS- We are proud of the houses that we created in teams. We have been working on our turn taking and teamwork skills, we created houses so strong that the big bad wolf couldn't blow them down.

KS1- Year 1 felt really proud this week when they were able to point out different human and physical features that they could see in our local area when looking at maps in Geography.

KS2- Year 5 have been taking pride in learning Spanish conversation phrases, and have enjoyed speaking to one another in Spanish.
