

Dear Families,

This week has been a fantastic celebration of how we use technology to enhance learning for our pupils.

Our Year 5 pupils had an incredible experience attending **Bett 2025** at the ExCeL, where they explored the latest in educational technology and innovation. They returned inspired by what they saw and eager to apply new ideas to their own learning.

We also had the pleasure of welcoming **80 visitors** from Denmark, the Netherlands, and Austria to our school. They were truly impressed by how confidently and independently our pupils use technology to access learning and make lessons so engaging. It was a privilege to showcase the wonderful work happening in our classrooms.

Today marks an exciting event—**Young Voices at the O2!** Our pupils will be joining thousands of others in this national singing event, creating an unforgettable experience. While it will be a late finish, we know they will absolutely love it and create memories to cherish.

To follow what's happening in school, **please do access our social media platforms** for updates, photos, and highlights of our pupils' learning experiences.

Thank you, as always, for your support in making these enriching experiences possible for our pupils.

Yours sincerely,

Mrs Ferla and the PWP Team

SCHOOL VALUES

The new focus value this term is **Collaboration**.

EYFS- Reception have been helping each other count to 20 this week, using a number line to recognise the numbers. Keep up the great work!

KS1- Year 1 used collaboration in DT when designing their moving vehicle as part of their wheels and axles topic. They shared an iPad with their partner and discussed the design they wanted to create.

KS2- Year 6 have been using collaboration this week to publish their travel brochures onto Pages to create a digital document. They worked hard to edit their work, organise their text and images together.

Bexley Voice follow up Parent Carer Survey - Spring Term 2025

- We need your voice!
- Good or bad, how is your child progressing with the support that they are being given? How about your confidence levels that all the professionals are working together for your child? How much do you know about what the Local Area is doing to improve things for our SEN children? Can you see things changing for the better for our SEN children? Lastly, if your young people is aged 14 or over, how do you feel about the support they are getting to prepare for their transition to adulthood?
- Please tell us!
