

Dear Families,

We've had another fantastic week filled with exciting experiences for our children! On Tuesday, the children enjoyed a special assembly led by music professionals, which fostered a love of music and introduced them to various instruments.

Our Apple professionals were particularly impressed with our children's behaviour for learning and their ability to adapt their learning through technology. It's wonderful to see such engagement and enthusiasm in the classroom!

Today, we celebrated National Teaching Assistant Day, honouring our incredible support team across all areas of the school. Their dedication and hard work are invaluable in nurturing our children's growth and development.

Looking ahead, we are excited to welcome back Louise from Children's University next week. She will be delivering an assembly and workshops for our children on how they can earn stamps in their passport, continuing our drive for high ambition for all and enhancing the experiences of our children.

Additionally, on Tuesday, our PFTA will be holding a coffee morning for all parents and carers. This is a great opportunity to learn about their key priorities for the year and find out how you can join and support their initiatives. Please join us in the school house for a coffee and a chat!

Thank you for your continued support and have a wonderful weekend!

Yours sincerely,

Mrs Ferla and the PWP Team

SCHOOL VALUES

The new focus value this term is Pride.

EYFS- Reception have been proud of their reading and writing in their phonics sessions they have been taking part in this week.

KS1- Year 2 have been very proud of themselves this week when investigating the incidents caused by the big, bad wolf! They have been looking for clues around school, collecting information about wolves and producing fact files.

KS2- Year 3 took lots of pride completing their Science experiment into how permeable different types of rocks are. They worked in teams and were so proud to share their findings with peers and adults.
