

Dear Families,

Another wonderful week at our school has flown by! Our children have been engaged in a range of enriching experiences that brought learning to life. Year 4 had an incredible time exploring the Natural History Museum, Year 2 were delighted by a visit from the Pearly Queen, and Year 6 gained a wealth of knowledge during their trip to the London Docklands Museum. These opportunities truly inspire curiosity and deepen our pupils' understanding of the world.

Looking ahead, next week promises to be just as exciting. On Monday, we are thrilled to welcome Lord Jim Knight, a passionate advocate for using technology to enhance education. He will be meeting our amazing children and learning about the innovative ways they engage with their learning.

On Wednesday, we will welcome back Rock Kids, who will be leading sessions to promote kindness and responsibility—key aspects of our pupils' personal development. Year 4 will also participate in the "Confident Me" workshop, another fantastic opportunity to build self-esteem and resilience.

A reminder that Parent and Carer Consultation Evenings take place on Wednesday and Thursday. If you haven't yet made an appointment, please do so. These meetings are a vital part of the academic year and an excellent opportunity to celebrate your child's progress and discuss next steps.

Finally, Friday will see the much-anticipated return of our school pantomime—"Oh yes it is!" This year, we'll be enjoying Cinderella, and the excitement is already building. It's sure to be a fantastic way to end the week.

Thank you for your ongoing support in making our school such a thriving community.

Yours sincerely,

Mrs Ferla and the PWP Team

SCHOOL VALUES

The new focus value this term is **Kindness**.

Year 4 showed kindness to one another and members of the staff at the British Museum this week when on their trip.

The children have started to learn songs for their Christmas performances this week, and have been kind and respectful to one another when performing and rehearsing.

Year 3 were practicing kindness as part of their PE lesson, when working on team building games. They were being kind to one another in the way they listened, spoke and encouraged their friends.
