FRIDAY 2ND MAY 2025 ISSUE 28

Dear Families,

We have had another exciting week at school, packed full of fantastic learning opportunities. Our Key Stage Two pupils took part in a series of workshops focusing on setting and understanding healthy boundaries. The sessions were engaging, informative, and really helped the children to reflect on the importance of respectful relationships, personal space, and emotional wellbeing. It was wonderful to see the pupils so involved in the discussions and activities, demonstrating maturity, empathy and great thoughtfulness.

This week, we also came together as a school community to celebrate and incredible achievement - Mr Campbell's successful completion of the London Marathon! We are extremely proud of him for showing such determination and perseverance. A huge thank you to all of you who shared lovely messages of congratulations and encouragement for Mr Campbell on our school Facebook page; your kind words meant a great deal and helped make his achievement even more special.

Although next week will be a shorter one due to bank holiday, our pupils will continue their learning journeys with enthusiasm and determination. It has been particularly exciting to see how the use of AI tools is becoming a natural part of learning in many classrooms. Our children are not only using AI to scaffold and support their work, but they are also articulating clearly how these tools help them to think more deeply, explore their creativity, and overcome challenges with confidence. We are incredibly proud of how our children are embracing these opportunities with such positivity and responsibility.

We are also looking forward to our next Governors' meeting on Friday, where we will have the privilege of sharing all the fantastic progress, achievements, and developments taking place across our school. It is always a joy to celebrate the hard work, resilience, and success of our children with our wider school community.

Wishing you all a restful and enjoyable bank holiday weekend. We look forward to welcoming the children

back to school on Tuesday 6th May for another exciting week of learning.

Yours Sincerely,

Mrs Ferla and the PWP Team.

A massive Well done to Mr Campbell for completing the marathon last weekend. We are so proud of you!

Box	Evie
Cypress	Nathan
Ash	Chloe
Acacia	Lacey L
Palm	Alvin
Holly	Millie
Myrtle	Arthur
Willow	Hallie
Eucalyptus	Jack

SCHOOL VALUES

The value this term is Kindness.

EYFS- Reception have explored the school garden as part of their outside learning and looked at the tadpoles in the pond.

KS1- Year 1 have been looking at the values needed to achieve a target. They completed lots of mini challenges and discussed what skills and values they used.

KS2 - In RE Year 5 have been looking at what love means to them and how they show love to their families and community.
