

Dear Families,

We have enjoyed another excellent week at school, with so many wonderful achievements from our children. I have been particularly impressed with how well our children are progressing in phonics and the enthusiasm they bring to their groups. It has also been fantastic to see so many of them attending the phonics workshops at 8:30 am each day - such a dedication to learning!

Our older children are really enjoying **crocheting** at lunchtime and have developed impressive skills. If anyone can donate resources to support this, we would be extremely grateful.

A huge well done to our choir, who represented themselves and the school brilliantly at **Young Voices at the O2 on Friday 24th January**. It was a late evening for them, but they loved every minute of the experience. A big thank you to the staff who accompanied them making this opportunity possible.

Looking ahead to next week, we have lots of exciting events planned:

- **Dress to Express Day**, where children can come to school dressed in a way that reflects who they are.
- **NSPCC Number Day**, a fantastic even that fosters a love of maths.
- **Year 2's trip to The Tower of London**, which promises to be an amazing experience!

We can't wait for another great week of learning and fun.

Yours sincerely,

Mrs Ferla and the PWP Team

COGNITIVE BEHAVIOURAL THERAPY
8-17 years

This service is triaged through Bexley CAMHS. CBT is talking therapy with clear goals. The therapist and young person will collaboratively identify areas of difficulty on which to focus and help the young person to understand their thoughts, feelings and behaviours. This offers the opportunity to look at reacting in a positive way to challenges that they face now and in the future.

Referral via CAMHS or Social Prescribing

BEFFENDING
10-15 years

Volunteers are screened and trained before being matched with a young person.

Beffending provides one-to-one intensive support, including listening and help with behaviour management.

The service offers the young person a positive role model to discuss problems with and who can encourage them to try new activities and build up their confidence.

They meet for a couple of hours weekly and matches are usually for a period of 4 months.

This is a time limited, solution focused model with measurable objectives.

Referral is open to Social Care and the Family Wellbeing Team.
