Year 2 Summer 2	Pride Time
Busy Bugs	N/A
Big Bang	**Learning Outside of the Classroom**
We will go on a walk around forest school to search for different bugs and build them a fancy bug hotel!	Building bug hotels on Launch Day using materials from Forest School and leaving them outside to see which bugs come to stay.

Busy Bugs

English
We will be using the 'Bug Hotel' text to write instructions on how to care for bugs and what they require to survive. We will create a Peareswood Bug Newsletter and send it to Hamza Yassin.

Maths
This term we will continue to learn about time. We will also learn about statistics, position and direction. Then we will spend some time recapping previous topics we have learned in maths in Year 2!

Science
Our focus in Science will be around living things and their habitats. We will be learning about food chains, habitats and micro-habitats.

Geography History
In Geography, we will be planning, carrying our and evaluating our own fieldwork using David Attenborough and Hamza Yassin as an inspiration. In the History part of this unit, the children will be looking at changes through living memory with how exploration of the natural world has changed over time.

DT
In DT, we will be learning about sculpture. We will be sculpting our own bugs out of clay!

Music
We will be comparing beats, pulse and pitch and then using this knowledge to recreate sounds that we think different insects make when they move. We will use different instruments to do this and perform these in class.

Computing
In computing we will begin learning about networks and data.

R.E.
The children will continue learning about the beliefs within the Islamic faith with the focus on the key question: "Who is a Muslim and what do they believe?" We will be comparing these to other faiths we have covered and our own beliefs.

P.E.
In PE, pupils will be learning how to improve our hand eye co-ordination through target games. We will also be developing our gymnastic skills.

Personal Development
This term focuses on physical health and well being, growing, keeping safe online. Additionally, they will focus on curiosity and character development in Character Education.
