

**Year 4 Spring 2**

## Who Let the Gods Out?

### **Big Bang**

Dressing up as Greek God or Goddess. Activities will explore the roles of Gods and Goddesses in Ancient Greece.

**Pride Time**

N/A

### **Learning Outside of the Classroom**

Greek Olympic games outside.

## Who Let the Gods out?

### English

Children will be learning about their topic 'Who Let the Gods out?' through their writing. They will be writing an adventure story based on Pandora's box and then also an instructional text on how to care for a creature.

### Maths

Children will be focusing on their times tables to prepare them for the timestables test. They will also continue working on fractions and introducing decimals.

### Science

The children will be investigating sound including how sounds are made and how sounds travel.

### History

Children will learn about the lasting impact of the Ancient Greeks on: democracy, architecture, art, mathematical and scientific thinking, culture and literature. They will look at the Athenians and Spartans in detail and their ongoing wars and look at how the Ancient Greek Empire expanded through invasions and conquests by Alexander the Great.

### Art/DT

In this term, children will be looking at Ancient Greek vases and begin to design and create their own 3D forms using clay or salt dough thinking carefully about shape and form.

### Music

Children will continue to learn chords on the ukulele, revising ones learned earlier in the year.

### Computing

In computing this term, children will be deepening their knowledge and skills in coding by using Swift Playground and continuing to develop their knowledge on programming.

### R.E.

This term our key question in RE is 'What can we learn from religions about deciding what is right and wrong?' We will be exploring what we have learned from religions and how they can help people make choices on right and wrong.

### P.E.

This term children will learn and develop skills needed for tag rugby and gymnastics.

### Personal Development

Children will be focusing on creativity and curiosity, how our bodies change and continuing to also learn about British Values and how these work in society.

### Core Books
