

## Year 5 Summer 2

### I'm a Survivor!

## Pride Time

N/A

### Big Bang

Using problem solving skills for assault course like activities and exploring birds in the wild such as parrots and toucans. Additionally, students will attempt to escape a maze digitally.

### Learning Outside of the Classroom

Children will visit forest school and complete different problem-solving activities.

## I'm a Survivor!

### English

This term we will be using our class texts, 'The Vanishing Rainforest' and 'The Explorer' to focus on survival. Our writing outcomes will include, a piece of persuasive writing, using persuasive features to build an argument to save the rainforest and a narrative story focusing on the powerful imagery within the story.

### Maths

In Summer 2, the children will learn and practice their knowledge of decimals, negative numbers, and fractions as well as going back to the four operations and fractions.

### Science

In Science, we will be focusing on living things and their habitats. We will be grouping animals based on physical and behaviour characteristics, exploring 3 different micro-organisms and identifying examples of arthropods.

### Humanities

In Geography, we will be locating different countries based in North and South America and Europe on a map. We will focus on different biomes across the world, predominately focusing on the Amazon Rainforest in Brazil.

### Art/DT

In Art, we will be focusing on culture and seasonality, focusing on food, particularly bread. This will include sampling bread from different places, using utensils safely and finally kneading, mixing, rubbing and beating ingredients together. Children will make their own bread.

### Music

In Music, we will be exploring music traditional of Amazon tribes with a focus on body percussion.

### Computing

In summer 2, the children will be developing their knowledge of networks and data.

### R.E.

In Religious Education, we are starting to look at the key question 'What can be done to reduce racism? Could religion help?' whilst focusing on Christianity.

### P.E.

In P.E, we will be working on Gymnastics focusing on spatial awareness, under and over body movements and partner work. Children will also start preparing for Sports Day competitions and developing their athletics.

### Personal Development

In Personal Development, we will be focusing on personal identity and how taking pride in ourselves and that the things we accomplish have an impact on our identity and self confidence.

### Core Books
