

Year 1 Autumn 1
Magic Beans

Pride Time

This will be an opportunity for children to take part in different topic-based activities to show their parents and carers what they have learnt throughout the term.

Big Bang – Monday 9th September 2024

We will spend the day exploring different traditional tales. We will be planting beans so that we can watch them grow over the term, and then writing instructions on how to do this. We will also be going on a scavenger hunt for Cinderella's missing shoes.

Learning Outside of the Classroom

Children will be given the opportunity to explore the Year 1 outdoor area daily with fun challenges based around different traditional tales.

Magic Beans

English

This term pupils will be using the text Jim and the Bean Stalk to explore a range of traditional tales. We will be using these texts to explore adjectives; describing characters and settings. We will be innovating and writing our own Jack and the Beanstalk story.

Maths

This term Year 1 will be focusing on numbers within ten. This includes the place value of the numbers and using them in addition and subtraction.

Science

Science this term will focus on plants and seasonal changes. We will explore the different seasons and their features. We will also be learning about the parts of a plant and what plants need to grow.

Humanities

In humanities this term Year 1 will be focusing on geography. In geography they will be learning about the United Kingdom and its capital cities. They will investigate their local area first, then London and after that moving onto the different countries within the UK.

Art/DT

In Art we will be learning about different types of paint and how to create colour and tone through mixing. We will explore primary and secondary colours and different types of brush strokes through artists Mondrian and Kandinsky.

Music

In music we will be learning about controlling sounds through singing and playing instruments, including performing.

Computing

This term in computing will be mainly focussing on e-safety. We will begin to learn how to use the basic functions of an iPad. This also includes how to hold it and take care of it.

R.E.

Our 'key question' in RE this term is "Who is a Christian and what do they believe?".

P.E.

This term the focus in PE is developing fundamental movement skills. We will also be exploring gymnastics, with a focus on balancing and spinning on points and patches.

Personal Development

In health and relationships this term we will be learning about who in our community looks after us. In Character Education we will be focusing on respect and honesty.
