

Year 4 Autumn 2
Tomb Raiders

Big Bang
Children to make papyrus paper to be able to write on later in that day. Children will also be learning how to mummify an apple and read hieroglyphics.

Pride Time
Create adult hieroglyphic bookmarks to take home and perform a version of 'Walk Like an Egyptian'

Learning Outside of the Classroom
We will use the giant bricks and block from R and Y1 to build our own Egyptians monuments or use the reception sandpit to create an archaeological dig.

Tomb Raiders

English	This term pupils will be writing a historical tale using their knowledge of Ancient Egypt. They will also write a non chronological report to showcase their knowledge of Ancient Egypt.
Maths	Children will learn about length and perimeter, looking at how this can be used in real life situation. Number-Multiplication and division, focusing on using formal written methods to answer questions.
Science	Science this term will consolidate prior learning.
History /Geography	In History, we will be exploring the Ancient Egypt. We will be focusing on the location of Egypt globally and also looking at key geographical features within Egypt as well as features of everyday life for a person living in that era.
Art/DT	This term, the children will further develop their drawing skills by accurately identifying and rendering 2D and 3D shapes when drawing from observation or second-hand sources.
Music	This term the children will be learning how to use the glockenspiel to create Egyptian music.
Computing	The children will be focusing on encryption this term. The children will work to understand how important encryption is to being safe online and how it can be used effectively.
R.E.	This term the focus is Hinduism. Pupils will look into what it means to be a Hindu in Britain today. Including Diwali
P.E.	This term the children will be focusing on netball and hockey. The children will enhance their passing and shooting skills along with improving their ability to work as part of a team.
Personal Development	This term the focus is on collaboration and teamwork. The children will work on this during their personal development session, through deep discussion to understand other feelings and thoughts.
